Drummers are notoriously the most overlooked members of the band. Musicians know, however, that drumming is the essential backbone of great music. That is why Irish photographer Deirdre O'Callaghan chose drummers as the subject of her latest book, *The Drum Thing* and physicality are on full display in the muscular images, most of which were taken in private homes or studios. That provides viewers with a rare look at both personal style and the rhythm of daily life. --Jessica Gelt, Los Angeles Times

Photographer Deirdre O'Callaghan presents a hefty collection of intimate drummer portraits, with some top-name stars captured in their rehearsal spaces and homes, studios etc. Almost a hundred sticksmen and women feature - including Steve Gadd, Ringo Starr, Questlove, Dave Grohl, Lars Ulrich, Ginger Baker, Neil Peart, Jon Theodore, Stewart Copeland, Sly Dunbar, Brad Wilk, John Densmore, Larry Mullen Jr, Jack DeJohnette, Travis Barker, Steve Jordan and more. Deirdre has also interviewed some of the players, and these form intimate recollections of their musical journeys, philosophies at the kit and more. It's a beautiful book, no doubt - where else apart from *Rhythm* can you get such great photos and inspirational words from your favourite drummers? --Rhythm Magazine Présentation de l'éditeur

The drummer is usually the least well-known member of any band. Yet behind every frontman is the person keeping the beat, and often acting as the music's driving force. In these incredible portraits, Deirdre O'Callaghan places drummers squarely in the spotlight. Photographing her subjects in their private rehearsal spaces and residences - from studios, bedrooms and basements to garages and gardens - allows her to capture the true essence of their personalities and lifestyles. She has photographed almost 100 celebrated musicians for the book, including Tony Allen, Ginger Baker, Travis Barker, Cindy Blackman, Patrick Carney, Terri Lyne Carrington, Chris Dave, Jack DeJohnette, Bryan Devendorf, Sly Dunbar, Steve Gadd, James Gadson, Dave Grohl, Mark Guiliana, Steve Jordan, Jim Keltner, Airto Moreira, Larry Mullen Jr, Neil Peart, Questlove, Jim Scavunos, Ringo Starr, Lars Ulrich, Joey Waronker and Jack White. Each image is accompanied by excerpts from O'Callaghan's personal conversations with the drummers. The result is a fascinating look at a truly diverse world made up of men and women from every walk of life, united by a single, emphatic passion. Biographie de l'auteur
