Review

"Wonderfully fresh and funny, and among examples of Victorian humour I would place it high in the pantheon, right up there with *The Importance of Being Earnest* and *The Diary of a Nobody*... Jerome's writing... triumphantly stands the test of time, with its comic flights of exaggeration, its occasional archness, and its entirely innocent hint of the camp."

--"Daily Telegraph"

"A charming comedy of friendship and human nature."

"number two in Esquire's funniest books list...Jerome's comic tale...is reissued...with 30 charming illustrations by...Vic Reeves" From the Back Cover

'Wonderfully fresh and funny...Jerome's writing triumphantly stands the test of time' *Daily Telegraph*

ILLUSTRATED WITH THIRTY ORIGINAL ILLUSTRATIONS BY COMEDIAN AND ARTIST VIC REEVES

What could be more relaxing than a refreshing holiday on the river with your two best friends and faithful canine companion, Montmorency? However, as J. discovers, there is more to life on the waves than meets the eye - including navigational challenges, culinary disasters, and heroic battles with swans, kettles and tins of pineapple. Jerome K. Jerome's delightful novel has kept readers smiling for years and his prose has found a perfect partner in Vic Reeves's glorious and witty illustrations.
