'I, ME, MINE' is a tasteful, expanded reprint of the closest thing to a George Harrison autobiography.' TIME OUT (4 11 Dec).The DAILY EXPRESS has also given the book a mention.'If sales of THE BEATLES ANTHOLOGY are anything to go by, public demand for new Beatles product is as strong as ever. While, I, ME, MINE is not strictly speaking a new book, such is its rarity, except at Beatles memorabilia fairs (at vastly inflated prices) that its 400 pages and 200 illustrations will be treated as a newly discovered treasure trove of insider detail about the biggest band in pop history.' Cherished by fans and collectors, *I Me Mine* is the closest we will ever come to George Harrison's autobiography. This new edition has been significantly developed since the 1980 original; now printed in colour, and with previously unseen archive material, the book covers the full span of George Harrison's life and work. Featuring George Harrison in conversation with Derek Taylor, *I Me Mine* delves into everything from Harrison's upbringing in Liverpool and the growth of early Beatlemania, to his love of India, gardening and racing cars. With over fifty archival photos, Harrison's words, and his song lyrics, this book offers an insight into the musician's life, work and philosophy. *I Me Mine - The Extended Edition* presents the lyrics to 141 George Harrison songs, with handwritten lyrics beautifully reproduced in facsimile, accompanied by Harrison's uniquely intimate and humorous commentary. This edition has been expanded to include 59 new songs; as well as tracks written for The Beatles, it also contains lyrics from Harrison's solo career, including his albums *All Things Must Pass* and *Brainwashed*. *I Me Mine - The Extended Edition* presents for the first time a complete compendium of Harrison's musical career and his writing. With written contributions from Olivia Harrison and Derek Taylor, original cover art by Shepard Fairey, and a wealth of previously unpublished material, the new edition of *I Me Mine* is a treasured portrait of George Harrison and his music. He is also remembered as the producer of such films as Monty Python's *Life of Brian* and *Mona Lisa*. George Harrison married Olivia Arias in 1978 and together they have a son, Dhani.
