Kurzbeschreibung

**\*\*The Number One *Sunday Times* bestseller\*\***

***A Daily Telegraph / Guardian / Irish Times / Spectator / Sunday Times / The Times Book of the Year***

Trudy has betrayed her husband, John. She's still in the marital home – a dilapidated, priceless London townhouse – but not with John. Instead, she's with his brother, the profoundly banal Claude, and the two of them have a plan. But there is a witness to their plot: the inquisitive, nine-month-old resident of Trudy's womb.

Told from a perspective unlike any other, *Nutshell* is a classic tale of murder and deceit from one of the world's master storytellers. Pressestimmen

**"An astonishing act of literary ventriloquism unlike any in recent literature. A bravura performance, it is the finest recent work from a true master...** Told from a perspective unlike any other, *Nutshell* is a shocking tale of murder and treachery from **one of the world's master storytellers.**" (*Daily Telegraph*)

**"A creative gamble that pays off brilliantly...** Witty and gently tragic, this short, bewitching novel is an ode to humanity's beauty, selfishness and inextinguishable longing." (Hephzibah Anderson *Mail on Sunday*)

"Ian McEwan's embryonic spin on Hamlet is **a virtuoso feat of wordplay ...** Virtuoso entertainment." (Tim Adams *Observer*)

"While the literary device of an unborn baby narrating a novel from the womb is hardly original... Ian McEwan employs it with aplomb... Here everything is tightly controlled and the tension ratchets up as our all-knowing unborn watches helplessly from his watery sack while the dastardly plan progresses through a series of nail-biting moments... The ending is beautifully contrived... **The book is elegantly written with plenty of pungent, topical observations upon the world.**" (John Harding *Daily Mail*)

"At once playful and deadly serious, delightful and frustrating it is **one of McEwan's hardest to categorise works, and all the more interesting for it.**" (Robert Douglas-Fairhurst *The Times*)
